

solomazuelo 2024

Mazuelo forms part of the history of the wines of Rioja, to which it gives freshness and longevity. Difficult to cultivate, the area in which it is grown is decreasing from year to year. Solomazuelo seeks to show off the virtues of this grape in the climate and soils of the Sierra de Yerga and in this way restore it to its former place of importance.

COMPOSITION	100% mazuelo (Carignan)
VINEYARD	Vines from La Cantera and El Arenal, at altitudes of 530 and 600 m grown in sandy-loam soils
